

Joshua 6:25; 7:1

The contrast between Rahab and Achan:

- Rehab hid spies, Achan hid clothes.
- Rehab was saved, Achan was destroyed.
- Rehab wanted to be like Israel, Achan wanted to be like Jericho.

We must move from living in **secret sin** to living in **secret place**.

1. What are you hiding? (*Psalm 24:3-4*)

Sin grows in the dark (*John 3:20*).

Recent victory is not Gods approval on our life.

Private sins lead to public scandals.

What's under your tent? Deal with it.

2. Who are you hosting? (*Zachariah 4:6*)

The Holy Spirit comes by invitation of salvation. Until Jesus Christ is your savior, the Spirit has no resting place in your heart.

The Holy Spirit is hosted by surrender. All Christians have the same Holy Spirit, the Holy Spirit does not have all the Christians the same.

Four reasons we forsake the Holy Spirit: condemnation, emotional immaturity, busyness, and laziness

The Holy Spirit is the greatest agent of change. Don't use the Holy Spirit to get change, allow the Holy Spirit to use you and bring change. Moses did not use God to get miracles, he used miracles to get to know God.

Prayer Point:

1. Lord Jesus, have mercy on me. According to your lovingkindness, cleanse me from secret sins.
2. Create in me a clean heart, O God, and renew a steadfast spirit within me.
3. Oh Holy Spirit, give me more of you. Oh Holy Spirit take more of me.
