

“Every place that the sole of your foot will tread upon I have given you, as I said to Moses.” Joshua 1:3

1. Instead of just WAITING on God, we must WORK with God

“And they went out and preached everywhere, while the Lord worked with them and confirmed the message by accompanying signs.” Mark 16:20

We don't SHIFT the responsibility, we SHARE it with God! Revival is not on GOD or ME but on US!

2. Before the sword conquers your enemy, it cuts your flesh.

For the word of God is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart. Hebrews 4:12

Rebuking is anchored in repentance. Cutting empowers conquering.

If God's word is dull on your heart, it will not sharp on your issue.

3. When there is no solution to the problem, seek to live in awareness of the presence.

Problems we conquer, presence we carry. If you carry presence, problems will split. Don't let existence of Jericho make you not carry presence.

4. Build memorials to God's miracles, not monuments to your mistakes.

Devil builds strongholds in our mind of what God has not done yet, or what we have done.

Miracles when stopped feeding your situation, they need to feed your spirit.

Don't remember what you forgot, remember what Jesus did!

Prayer:

1. God's word is the final authority in my life, comforting me, convicting me and confronting my problem.
2. I am carrier of the Spirit of God, I throw away the weight of my problems.
3. I build in my mind a memorial to God's miracles, I break down every monument to my mistakes, misery and unanswered prayers.
