

Now the Lord said to Joshua: “Do not be afraid, nor be dismayed; take all the people of war with you, and arise, go up to Ai. See, I have given into your hand the king of Ai, his people, his city, and his land. Joshua 8:1

### **1. Everyone lives in spiritual world but few are engaged in spiritual warfare!**

Natural war kills people, spiritual war kills evil  
This war takes place in our mind, in our prayer!

### **2. Don't let your victories go into your head so that your defeats will not go into your heart.**

Victory is not endearment of our lifestyle.  
Overcoming your defeat is more important than winning a battle.  
Defeat is not dangerous if it happened in your life, it's deadly when it takes place in your heart

If you do not handle your good times well, they will turn into hard times but if you handle your hard times well, they will turn into good times. The way you handle your situation matters.

### **3. Don't make covenant with the enemy God anointed you to conquer**

Don't let your issue become your identity

When you make a deal with the devil, you start defending your enemy instead of overcoming it

### **4. Deliverance from the enemy, defeating the enemy**

Deliverance from the enemy requires you to be a slave  
Defeating the enemy requires you to be a soldier

Promise land was not conquered by slaves but by soldiers.  
Don't fight promise land battles with slave mentality

### **PRAYER:**

I command any negative force, occupying my health, to be surmounted  
I command any negative curse, holding blessing, to be vanquished  
I command every evil spirit, operating in my family, to be evicted
