

Genesis 2:15, 18, 20-22

1. You are ready to date when you don't need

You are not ready to MINGLE if you are not truly SINGLE. Your relationships will be as good as you are. Singleness is not state of being unmarried; it's state of being whole

Delight in God before you start dating. Get so lost in God that the other person has to look for God to find you.

Relationship with God makes you WHOLE; romantic relationships reveal your HOLES.

Relationship with God SATISFIES; romantic relationships MAGNIFY.

Relationship with God COMPLETES you; romantic relationships will COMPLIMENT.

Without devotional life you will seek out of DATING what only can be found in DELIVERANCE

Without real relationship with God - ROMANCE turns into REHAB.

Without real relationship with God - we seek in DATING what can be found only in DELIVERANCE.

2. Before God will bring you an Eve, devil will offer you a monkey

Monkey is someone who don't share your values and faith

Monkey is someone you are praying for God to fix

Monkey is someone you date out of desperation and impatience

Don't flirt to convert (2 Corinthians 6:14)

When you are unequally yoked you can't perform the task set before you; instead of working together, you will be at odds with each other.

3. God is preparing you for the person He is preparing for you

Sexual sleep wakes you up spiritually

Your teen years are your tithe to God (Psalm 90:10; Song of Solomon 2:7)

Teenagers, even if dating around does not wreck your purity it will definitely waste your potential.

Submit biology to theology.

Sexual sleep is not just the time when you focus on God; it's when God is focused on you.

God can't do a surgery on your character without sexual anesthesia

You are ready to date when you are ready for marriage

If you are dating without intent of getting married is like shopping without money, you will either end up unsatisfied or with something that does not belong to you.
