

SCARRED FOR LIFE

Is Jesus seemingly asleep in your boat? It is because He knows the outcome

Not every storm you face is to destroy you - some storms makes you discover who you really are

Luke 10:30-37

1. He was on the roadside
2. He couldn't treat his own wounds
3. The Samaritan poured OIL and WINE in his wounds
 - a. The wine represents the Word of God
 - b. The oil represents the Presence of God
4. Time does not heal any wound - it only amplifies your current situation/mindset

When God heals, why doesn't He heal the scars?

1 Samuel 17:34-37

Your scars will testify for you

It was David's scars that put him in front of the giant

The Bible is our Spiritual Fly Swatter

It has dual purpose

1. Speaking the Word of God - the Fly Swatter
2. Reading the Word of God - Insect repellent

The devil knows the Bible

1 Timothy 3:5 - The devil frequently uses Scripture to tempt us

Knowing the Scripture better will strengthen our spiritual immune system

The more your struggle violates your conscience and makes you feel unworthy to walk the path God has put down for you, the closer you are to your defining moment

Don't let your scars weigh you down - don't be ashamed of your scars

It wasn't Jesus' words that made Him our savior - it was His scars

Don't let temptation lead you away from your defining moment
