1. God removes Moses. (Joshua 1:2)

A. God changes seasons by removing people.

Some people are like the scaffolding; they are not the house, but you cannot build the house without them.

"Some people are like scaffolding; they have to be removed" TD Jakes

B. When God removes someone, it's time to MOVE. (Genesis 13:14)

C. When best people leave, best days are still ahead of you. (John 16:7)

When you no longer have someone to depend on because now others depend on you.

D. God gives you a sign to leave Laban, so that He can change your life. (Genesis 31:1-3)

2. God replaces manna. (Joshua 5:12)

A. God promised milk but provided manna.

Manna was provision. Milk was promise.

Living water John 4:10 - provision; Rivers of living water John 7:38 - overflow
I shall not lack Psalm 23:1 - provision; My cup runs over Psalm 23:5 - overflow
I came to give life and more abundant John 10:10

B. When provision stops, promise starts. (1 Kings 17:7-9)

God's provision comes with God's protection and it's not permanent.

C. God didn't remove manna without replacing it with something better. (Luke 9:16-17)
