

- Daniel 1:8-9
- 2 Corinthians 9:7-8

Some give out of **pressure**.  
Some give out of **prompting**.  
Some give out of **purposing in their heart**.

You don't need a prompting to give; give as you purpose in your heart.

God doesn't have to put things on our hearts since He has put a new spirit in us.

Parents don't get mad if kids do their chores without being told.

Make giving a priority.

Tithing is giving 10 percent; tipping is giving 20 percent.  
Tithing is giving; first, tipping is giving last.

Give by percentage.

Tithing was practiced 550 years before the law by Abraham and 500 years by Jacob.

*"The reason we give is because tithing is our way of paying our partner -- God. God is the best business partner that I've ever had. He asks for 10 percent and lets me keep the other 90 percent. You know what happens if you stop paying your partners? They stop working with you. That is why we tithe."* Robert Kiyosaki

Favor flows to those who are faithful in unfair situations.

Don't hinge faithfulness to fairness.

Stay faithful even when you're fearful.

Don't fight for fairness; trust in God's favor.

- Deuteronomy 23:1

Tithing is testing God and God testing us.

If we don't fail our test, God will not fail His.

- Malachi 3:10

The more we give, the more we have.  
Naturally, we get skinny by eating vegetables; Daniel got fat by eating vegetables.

- Proverbs 11:24-25

"A man there was, and they called him mad; the more he gave, the more the had." John Bunyan

"90% with God's blessing is better than 100% without." Robert Morris

God wants to bless our work, not our welfare check  
God's blessing is in giving us wisdom, not wealth.

- Daniel 1:19-20

You will be found 10x.

- 2 Corinthians 9:8
