

Life of vision inspires action; becomes a practical guide for creating plans, settings goals and objectives; helps to evaluate our life; provides focus; keeps us in faith; gives us motivation; produces discipline; opens doors for miracles, and gives life a purpose.

A person without vision is a slave to their reality.

Vision is a picture of the desired future.

“Vision is a clear mental picture of what could be, fueled by the conviction that it should be.” Andy Stanley

1. Vision comes from God’s voice. (Habakkuk 2:1)

A. When we are filled with God’s word, we will become familiar with God’s voice.

B. When we are near God, we will hear God.

- God will not yell but whisper because He expects us to be close.

C. When we lower the noise, we can hear His voice. (Revelation 2:7)

9 Ways God Speaks?

- Audible voice (Genesis 3:8)
- Angels (Daniel 9:22)
- Visions (Acts 18:9-11)
- Dreams (Acts 2:17)
- Coincidences (Matthew 16:3)
- Bible (2 Timothy 3:16)
- People (1 Peter 4:11)
- Nature (Psalms 19:1)
- Still small voice (1 Kings 19:9-12).

2. Vision works when we walk towards it. (Habakkuk 2:2)

A. Write the vision.

B. Read the vision.

C. Speak the vision.

- In the end, the vision will speak, but at the beginning, you must speak to the vision.

D. Run with the vision.

- The vision will come to you when you walk to it.

3. Vision will be late but on time. (Habakkuk 2:3)

A. Vision collision will happen at God's appointed time. (John 7:6)

- My time might not be God's time because He lives in a different time zone.
- If your vision is early, it could be on the devil's time.
- God is always on time but is usually late.

B. When vision is late, don't leave; wait for it.

- If the vision is not punctual, be patient.
- If the delay disappoints you, it will discourage you, and then it will derail you so the devil can defeat you.

C. God will not waste your waiting.

- In the waiting, God is working on our soul.
