What Do You Have? | sermon

- Prophetic reveals the mind/intent/will of God for you. His will. It nudges you towards his purpose for your life.
- Even if prophets has spoken the mind of God you can still change it. King Hazakaia, Moses told God to repent from his anger, Jonah prophesied the end for the city but they repented
- Fulfillment of the prophecy doesn't only depends on the prophet. You have a role to play. Jesus wanted to bring Jerusalem together but they were not willing

Matt. 23:37

We always have a choice to follow God's instruction and His voice or refuse it.

Deut. 30:19

- She got as much oil as many of vessels she gathered.

God will use what you have in the house.

He will use your business idea, invention, your employer, side hustle, your gift, talent, passion. Give him something.

What God works in, I must work out.

A miracle happened in the widow's house but she needed to take it out of the house into the market place and work at it.
