

Back To Life

Verse 1:

Yea I heard that you wanna be happy
but you keep on making the mistakes
that hold you under

Verse 2:

I heard that you're tired of cryin'
So pick your head up off that floor
say devil, you can't stay no more

Pre-Chorus:

Cus I have found
a love that brings me back to life
I feel the beat of His heart it sings to me

Chorus:

Na na (Na na)
Na na (Na na)
Na na (Na na)
Na na (Na na)

Verse 3:

Have faith like you're walkin' on water
That's the kind of strength you need
Take a breath and let things be, yea

Verse 4:

And I know that you're tired of tryin'
Regrets ain't welcome anymore
The past can walk right out the door

Donde Estoy

Verse 1:

nothing was ever as it seemed
took all my faith just to believe
that you were here
estabas conmigo

Verse 2:

Fought with myself to just let go
You fought that much harder for my soul
I may have been broken
Pero cerca estabas

Pre Chorus:

Lord as you lead me to see
the things I could not see within me
How can this be (yeah)

Teach me how to love like it won't hurt me
Better than a compass you can search me
Whatever the direction you take me, I'll go

Chorus:

Porque Al fin tu ya sabes como estoy
Quédate conmigo pues tu sabes donde estoy
Puedo estar muy lejos muy lejos senderos perdidos, perdidos
Pero sabes donde estoy

Vamp:

La la la la la
Tu ya sabes como estoy
La la la la la
Pero sabes donde estoy

Verse 3:

Pain is where I'd hide, a dark escape
You wanna lead me out, I can't wait
Finally freedom
Un bendición, Dios me a dado

I have to come to the end of myself
Make room for You to start something new
Algo nuevo
Vida eterna

Never Letting Go

Verse 1:

Deeper I begin to lose myself in you,
and I'm not looking for a way out
I'm thinking let's do forever, forever

Pre-Chorus:

I'll follow you, always
Never looking back cuz all I know is I want you

Chorus:

Moments I'm with you fill my heart
Love that's been so true from the start
Lord Keep me ever close, close to you
I'm never letting go x3

Verse 2:

The closer you come
further goes the world behind me
It's like I'm living in color
and all I see are a thousand hues of you

Pre-Chorus:

I'll follow you, always
Never looking back cuz all I know is I want you

Chorus:

Moments I'm with you fill my heart
Love that's been so true from the start
Lord Keep me ever close, close to you
I'm never letting go x3

Bridge:

Moments I'm with you fill my heart
Love that's been so true from the start
Lord just keep me closer to you
I'm never letting go, no

Where You Are

Verse 1:

How many times have we talked about this,
conversations 'bout trust and my honesty I've
made a mess now I'm pressed on this one thing
to get back to you yea I'm running
All I'm saying is I won't let go
Oh no, I won't let go

Pre-Chorus:

And to think where I'd be
without you here with me

Chorus:

Take me there
There with you is where I want to be
Lead me there
Jesus lead me where you are
where you are

Verse 2:

All of these voices, reminders of failures,
my past is the past they can stay behind, I've
Gained a new clarity, love is my therapy,
In the end everything comes back to knowing
I won't let go
Oh no, I won't let go

Bridge:

I can't live without you
I know that I want this
to be closer than ever
Lord you're all that I wanted
all that I wanted
all that I needed
you're all that I wanted
all that I needed
