When Your Brook Runs Dry | SERMON

1. When God guides, He provides.

Principle 1 - God's provision follows God's prescription.

"And it will be that you shall drink from the brook, and I have commanded the ravens to feed you there."

Sheep can't bear burdens, navigate, or find their own way. They're defenseless without a shepherd.

You don't have to act like a shepherd when you have a shepherd.

2. When God provides, He hides.

Principle 2 - God's provision involves God's protection.

"Get away from here and turn eastward, and hide by the Brook Cherith, which flows into the Jordan." 1 Kings 17:3

Be grateful not only for what God brings to you but what God keeps away from you.

3. When God provides, it may not always be in surplus, but it's always in sufficiency.

Principle 3 - Even if God doesn't give you what you want, He will always provide what you need.

"Prosperity depends more on wanting what you have than having what you want" Geoffrey F. Abert

4. When God provides, it's both natural and supernatural.

Principle 4 - God doesn't replace the natural with the supernatural. He adds the supernatural to our natural.

5. When God provides, blessings can come from the most unlikely places.

Principle 5 - God's provision might not fit your preference.

6. When God's provision comes to an end, it's time to pivot.

Principle 6 - God doesn't stop being a Provider even when provisions stop.

7. When God provides for you it's good, but when He provides through you, it's better.

Principle 7 - God wants to take you where God provides through you, not just for you!
