

Hungry Gen Headquarters

It's more than a new building, it's a headquarters
for kingdom expansion.

See what God can do through our generosity!

The Vision of HungryGen

Win Souls

We don't do a service without giving a call to salvation. We haven't had a Sunday for many years where we didn't see someone giving their life to Jesus. Not only that but we believe that in this new phase, we will see hundreds of people getting saved every week.

Make Disciples

We have a discipleship process where converts become disciples who then become leaders. The new building will become a training hub to equip new laborers to reap the harvest.

Raise the Next Generation

We have a strong youth ministry that meets every week and sees Gen Z's coming to Jesus. On top of that we have outreach in schools every week where we host clubs called Unashamed, where many teens come to encounter Jesus. These new teens are brought to church and get plugged into the discipleship process to grow in Christ.

Project Development

13.8 Million

Phase 1 - 5.3 million

Draw out the architectural plans, engineering and design, acquire permits, renovate sanctuary, additional parking lot, basic audio and visual equipment, network infrastructure, and 6 classrooms for kids zone. This phase will allow us to begin using the facility for local gatherings and content creation.

Phase 2 - 6 million

Purchase and own the building and land. Build out office space for church staff and operations. Purchase additional broadcast equipment and media center for global reach. Build school of ministry, and classrooms.

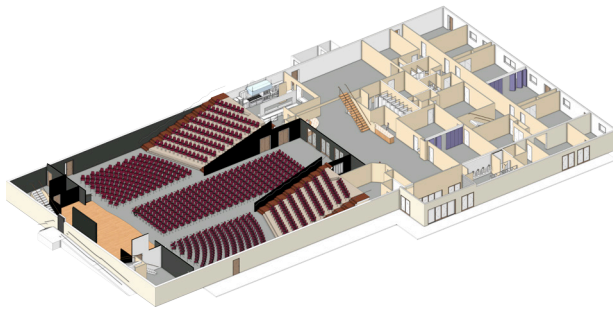

Phase 3 - 2.5 million

Build HungryGen Academy, a private Christian school (to fight anti-Christian curriculum). Build a state of the art science lab, kitchen, and recreation area for private school.

Sanctuary Concept & Info

We are going to increase capacity to 950 people.

Kids Zone & Private School

The second floor will have 10 classes for children as well as 12 offices for staff, including rooms for media, and translation.

School of Ministry

HungryGen Online Ministry School is designed to train and equip individuals who feel called to serve in ministry.

The school will offer a variety of courses and programs that cover topics such as leadership, spiritual warfare, theology, and practical ministry.

Students can access the materials and teachings from anywhere in the world, making it an accessible and convenient option for those seeking to deepen their knowledge and skills in ministry.

Community Area with Coffee Shop

Get Involved

Three Ways You Can Help

Prayer

Ask the Lord to soften the hearts of people and speak to them. Ask the Holy Spirit to move on generous people to contribute to this project and that this project may be executed with excellence.

Give

Ask the Holy Spirit about what you can sacrifice toward this project. Ask Him to give you faith and the gift of giving so that you can be used by the Lord to build His kingdom.

Invite

If you know others who would be interested in investing in God's kingdom, share this project with them. Invite them to be part of it with their resources.

History of HungryGen

The church was founded in 2001, shortly after Pastor Vasiliy Parkhotyuk immigrated from Ukraine to Tri-Cities, WA. Pastor Vasiliy being a missionary to Russia, came to the USA with a burning heart to bring the good news of Jesus to the community. The church was initially called Good News Church. He started to intentionally focus on youth, pouring into them this vision and empowering them to minister at a young age.

Vlad, along with Ilya and others stepped into the ministry as teenagers. Vlad became a youth leader at the age of 16 and Ilya was the worship leader. They named their youth ministry Hungry Generation based on Matthew 5:6 "Blessed are those who hunger and thirst for righteousness, for they shall be filled". The youth group started to grow and eventually became the church. After 14 years of doing youth ministry, in 2016 at the age of 30, Vlad became the lead pastor of HungryGen alongside our dynamic pastors and leadership team.

History of Pasco Location

On May 8, 2003, we purchased the 3203 W Sylvester, Pasco, WA church building for \$300,000, which became our home base. On February 4, 2019, the building was paid off.

At this Pasco location, we have seen

- Thousands of people saved
- Thousands of people delivered from demons
- Hundreds of people healed of sicknesses
- Hundreds of young adults trained in an internship
- Music created and released to reach the world
- Sermons and testimonies reach millions worldwide

This building is the bottle neck for the spreading of God's kingdom to reach new people for Jesus.

“Everything we have is God’s. God enables us to give. None of us can take anything with us to heaven but we can pass it on by giving to the work of the Lord.”

Vladimir Savchuk
