# History

Hungry Generation was birthed from a vision in the heart of Pastor Vasiliy to help people who: don't know God, have had a church experience void of a connection with God, and for those in need of freedom and healing from their past. The church was founded in 2001, shortly after Pastor Vasiliy immigrated from Ukraine to Tri-Cities, WA. In August of 2003, we purchased the property in Pasco, which became our home base.

From the beginning, Pastor Vasiliy has had the vision to raise the younger generation. He poured into teenagers to become ministers at a very young age. Vlad became a youth leader at the age of 16, and for 14 years, that youth group became the church that we see today. In 2016 at the age of 30, Pastor Vlad became the lead pastor of HungryGen alongside our dynamic pastors and leaders.

# Deliverance is Essential

There are 33 recorded miracles of Jesus. Sixteen healings and seven deliverances from demons. Deliverance is children's bread (Matthew 15:26).

Christians can have demons, but demons can't have Christians. Demons can't own believers, but they can bind them. The Bible warns believers not to give a place to the devil (Ephesians 4:27). Demons can enter through many different doors, but they leave only when cast out in Jesus' name. We can't counsel demons out; they must be cast out!

Deliverance from demons is Jesus' ministry (Acts 10:38). Ministry of deliverance is called a miracle (Mark 9:39).

We offer deliverance once a month in our prayer line and once a month via online. We pray for deliverance in our small groups.

2. Life groups develop accountability.
3. Life groups are a place of uplifting.
4. Life groups are a place to be disciplined.
5. Life groups are a place to invite others.

# Raising the Next Generation

*"When that generation had all been gathered to their fathers, another generation arose after them who did not know the LORD nor the work which He had done for Israel."  
(Judges 2:10)*

Since its inception, HungryGen has invested strategically in kids, youth, and young adults.

We want to avoid a situation like the one described in Judges 2:10: "...another generation arose after them who did not know the LORD nor the work which He had done for Israel."

The devil is targeting children. The woke agenda aims to influence our kids through the school curriculum, and media promoting LGBT agenda to the younger generation.

We strongly believe that it's not the government's job to raise our kids; it's our responsibility and privilege to raise them as disciples of Jesus.

Additionally, we firmly believe that God can use children. Samuel was just a little boy when God spoke to him, a young girl witnessed to a leperous general,

and Jesus taught in the temple at the age of 12. God promises to pour His Spirit on children.

We aim to expose children to the reality of God at an early age through our Sunday school program and a YouTube channel designed for kids to memorize the Bible.

For our youth, our goal is to equip rather than entertain. We host Holy Spirit-filled Sunday night youth gatherings where they can encounter Jesus. Our youth engage in small groups and actively participate in ministry.

We allocate funds and time to organize impactful summer camps and youth conferences for our young members. Additionally, we encourage our youth to reach out to their peers through Unashamed Clubs in public schools.

# Radical Generosity

- Tithing means 10. This 4000-year ritual traces back to Abraham. We don't have to tithe; we get to tithe. It's not an obligation but an opportunity to put God first in our finances. We believe that God can do more with our 90% than we can do with our 100%.
- We have seen again and again that we can't outgive God. When we start tithing, our financial problems become God's. Tithing keeps money from becoming our master.
- On top of tithing, we practice radical generosity that we call financial sacrifice. Our generation lives beyond their means, but we want to teach our church to give beyond our means. We believe that radical generosity marks our spiritual, eternal, and financial life.

# Millions Globally

One of our sayings here at HungryGen is: thousands locally and millions globally. We are a local church with a global vision. Jesus told us to go into all the world and preach the gospel.

We accomplish this global vision through travel of our pastors, books, music, media content, Pastors Summits, Raised to Deliver conferences, planting churches, and training students for the harvest through the internship.

Our online church offers an opportunity for the people to be members, serve, intercede, be disciplined in small groups, get water baptized and receive the ministry of healing and deliverance online.

# Serving

- We are saved for good works, not by good works (Ephesians 2:8-10). Each of us was born with talents, and we got born again. God gave us spiritual gifts. These gifts are given to us for the benefit of others.
- Christlikeness leads to servanthood, for Jesus came not to be served but to serve (Mark 10:45). Our Savior took the towel and washed His disciples' feet; then He said that His disciples are called to do the same (John 13:3-5, 14, 15).

# Honor Code

As Christians, how we present ourselves to others is vital to how others perceive Christ. Our conduct should never be an embarrassment to Christ but should exemplify the best qualities of a mature believer and servant-leader.

Exemplifying the highest moral commitment, HungryGen Church maintains a disciplined life of Bible reading, prayer, and fasting. You must also refrain from such things as:

- Profanity
- Smoking or chewing tobacco
- Gambling
- Indulging in alcohol
- Dishonest gain
- Illegal Drugs
- Sexual immorality
- All behaviors which might cause Christ to grieve and others to stumble

We encourage others to grow in Christ and become more like Jesus every day by providing an example in speech and action.

# Leadership Structure

**We are Overseen** by the Founding Pastor, Vasiliy Parkhotyuk. Our founding pastor is under the Superintendent of National Slavic District of USA (Currently, Viktor Prokhor ( [www.nsd.church](http://www.nsd.church) )

**We are Guided** by the Senior Pastors, Pastors Vlad and Lana Savchuk. The senior pastors oversee the spiritual health of the church, ensure overall commitment to the mission, and provide direction for the vision. They serve the congregation by equipping and empowering staff, tribe leaders, and life group leaders.

**We are Protected** by the Board of Trustees. This board consists of seven congregation members voted in through a majority vote by the trustees of the board to oversee the finances and direct the provision of the facilities needed by the church. They provide counsel, and checks and balances to the senior pastor regarding the significant financial commitments of the church.

**We are Strengthened** by the staff. The staff of HungryGen is a vital part of the church structure and government. They bring ideas, develop, oversee and implement the day-to-day operations.

# Abuse Policy Acknowledgment

I understand that HungryGen Church is a safe place for children and vulnerable adults and that HungryGen Church complies with all Federal and State laws regarding reporting suspected child abuse. As a member of the Dream Team, I understand that suspected abuse is to be reported to the staff member who oversees the area in which I serve. I also understand the four types of abuse defined below:

- **Physical:** a physical act directed at a vulnerable child or an adult that causes injury.
- **Sexual:** contact or interactions between a child and an adult, or another child, when the child is being used for sexual stimulation of the perpetrator or another person. This includes exploitation through photographs, videos, or other communication methods.

- **Emotional:** acts or omissions by the parent or other caregivers that have caused or could cause severe behavioral, cognitive, emotional, or mental disorders.

- **Neglect:** failure to provide for the child or vulnerable adult's basic needs. This includes adequate adult supervision, medical attention, housing, food, and clothing. Most cases of physical neglect involve inadequate adult supervision that has caused harm to the child or vulnerable adult or places them in danger.

**Acknowledgment:** I understand it is not my responsibility to investigate, and in no instance will I confront a parent or caregiver if abuse is suspected. As a member of the HungryGen Team, I agree to comply with this policy and report any suspected abuse to the staff person who oversees the area in which I serve.

# What is Membership?
